

ERRATUM

Murphy, D. R., Schneider, B. A., & Bailey, H. (2010). The effects of age on channel capacity for absolute identification of tonal duration. *Attention, Perception, & Psychophysics*, 72, 788-805.

On page 794 of the article, Figure 5 contains incorrect labels for the conditions. The corrected figure is:

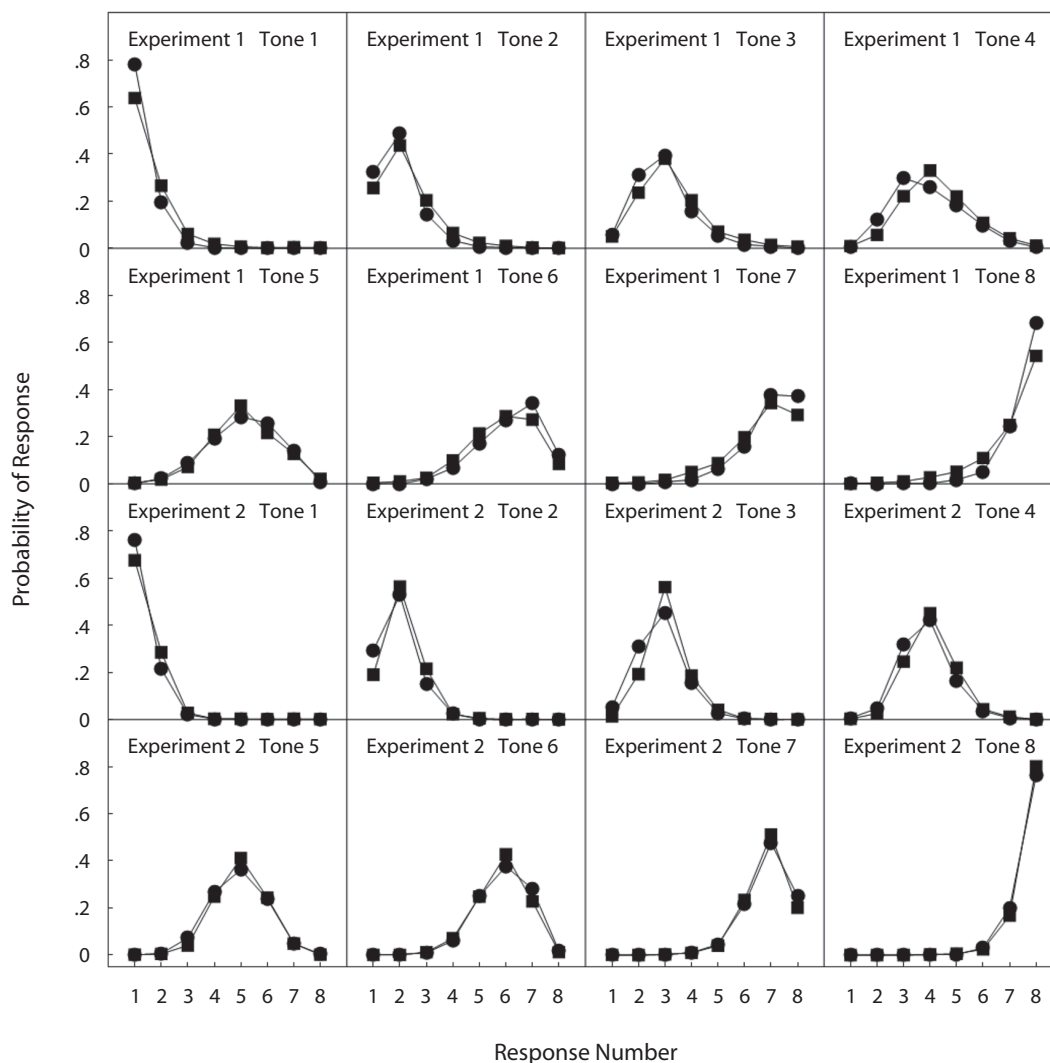

Figure 5. The probability that response k occurs when stimulus j is presented for each of the eight stimuli in Experiments 1 and 2 for young (squares) and old (circles) participants.
