| 2020/1 – 2021/2   | Co-editor, Special issue of Topology and Applications devoted to the 65 <sup>th</sup> birthday of S. Antonyan, 2020/21. |
| 2016/12 – 2018/12 | Co-editor, Special issue of Serdica Mathematical Journal in memory of Prof. St. Nedev.                                  |
| 2015/9 – 2017/8   | Co-editor, Special Issue of “Topology and its Application” in memory of A. Chigogidze.                                  |
| 2013/1 – 2014/6   | Co-editor, Special Issue of “Topology and its Application” devoted to the 60's birthday of M. Choban and St. Nedev.     |

## II. REFEREE AND REVIEW ACTIVITIES

### A. Referee of Journals

Ars Combinatoria

Canadian Mathematical Bulletin

Central European Journal of Mathematics

Colloquium Mathematicum

Commentationes Mathematicae Universitatis Carolinae

Fundamenta Mathematicae

JP Journal of Geometry and Topology

International Journal of Mathematics and Mathematical Sciences

Journal of Mathematical Analysis and Applications

Mathematica Balkanica

Matematicalni Studii

Pliska Studia Mathematica Bulgarica

Proceedings of the American Mathematical Society

Serdica Mathematical Journal

Rocky Mountain Journal of Mathematics

Russian Academy of Sciences Izvestiya Mathematics

Set-Valued Analysis

Topology and its Applications

Topology Proceedings

Transaction of the American Mathematical Society.

## B. Review of Books

"Continuity theory" by Nel Louis, Springer, 2016.

"Non-metrisable manifolds" by D. Gauld, Singapore, 2014.

"Geometric aspects of general topology" by K. Sakai, Springer, Tokyo, 2013.

1985 – Present            Mathematical Reviews

1986 – 1994            Zentral Blat fur Mathematik

### III. RESEARCH FUNDING APPLICATION ASSESSMENT ACTIVITIES

2022/5 - 2022/6	Evaluating the research proposals of J. Cinc and Z. Viric, Slovenian Research Agency.
2019/2 - 2019/3	Evaluating a United States-Israel BSF research proposal, United States – Israel Binational Science Foundation.
2016/7 - 2016/8	Evaluating the research proposal of Y. Zelenyuk, South African National Research Foundation.
2010/7 - 2010/8	Evaluating the research proposal of V. Gutev, South African National Research Foundation.
2010/7 - 2010/8	Evaluating the research proposal of Y. Zelenyuk, South African National Research Foundation.
2008/11 - 2009/2	Evaluating the research proposal of R. Raphael, Natural Sciences and Engineering Research Council of Canada (NSERC).

## IV. PROMOTION TENURE ASSESMENT ACTIVITIES

- |        |   |
|--------|---|
| 2017/5 | Referee, PhD Thesis of V. Nyagahakwa, Mathematics, University of Lincoping, Sweden.                   |
| 2015/6 | Referee, Full Professor Promotion of M. Cencelj, University of Ljubjana, Slovenia, Sweden.            |
| 2015/5 | Referee, Licentiate Thesis of V. Nyagahakwa, Mathematics, University of Lincoping, Sweden.            |
| 2013/5 | Referee, Doctor of Science Thesis of G. Dimov, Faculty of Mathematics, University of Sofia, Bulgaria. |
| 2011/5 | Referee, Full Professor Promotion of G. Dimov, Faculty of Mathematics, University of Sofia, Bulgaria. |
